NATIONAL NUTRITION MONTH

National Nutrition Month® is a nutrition education and information campaign created annually in March by the Academy of Nutrition and Dietetics. The campaign focuses attention on the importance of making informed food choices and developing sound eating and physical activity habits. Registered Dietitian Day, also celebrated in March, increases awareness of registered dietitians as the indispensable providers of food and nutrition services and recognizes RDs for their commitment to helping people enjoy healthy lives. The 2013 National Nutrition Month theme is "Eat Right, Your Way, Every Day."

Nutrition Center Scholars have been busy!

In February of 2013, the School of Public Health (SPH), Office of Research, released the 2012 Research Report. Our School has been a productive group, as well as the Nutrition Center!

For Calendar Year 2012 – SPH faculty published a total of 330 articles. In comparison, the Nutrition Center Affiliated Scholars published a total of 185 articles. For Fiscal Year 2011 – 2012, the SPH submitted research grant proposals with a first year amount of \$45,989,083. The Nutrition Center submitted \$7,449,602 of that amount through 34 new grant applications. That amount is up from 21 submissions in Fiscal Year 2010 – 2011.

Way to go, team! Keep up the good work!
